## Extraordinary costs

Each team needs to pay a charge of 45 Euros as extraordinary costs for RK Liesen. Foreign teams pay the fees to the reporting point. National teams pay their charge via bank transfer to the below mentioned data.

Teams with active soldiers apply the refund for the extraordinary costs in the course of their compensation for travelling.

The extraordinary costs have to be payed to the below mentioned bank account  
Reference: consignor ( RK/ Unit/ fire brigade/ association), Number of teams

Foreign teams pay the fee via cash payment when arriving at the reporting point.

Recipient: RK Liesen	Volksbank Bigge Lenne eG
Bank account no: 5175160501	BLZ: 460 628 17
IBAN: DE37 4606 2817 5175 1605 01	BIC: GENODEM1SMA

In case of default or quitting, the cost contribution will lapse in favor of the organizer.

### Liability:

The participants renounce any claims towards the organizers. There won't be any liability for accidents, loss of items and so on.

### Competition:

The demanding marsh is 18,5 km long . A performance training is recommended.

The given tasks include the following fields:

- Questions about general knowledge
- All terrain course/ wood battle path
- Rope climb/ roller conveyor
- Technical tasks inside closed rooms
- Skill course in open sites
- Supplies/logistics/ supply(care)
- Shooting
- Estimating of distances
- Fast march, Sketch march

The entire march time will be valued as one task. During the stay at the individual stations the time will be neutralized.

### Competitions rules:

Alcohol is strictly prohibited during the competition!

All participants are subject to the statutory accident insurance.  
We do not take out an extra insurance.

The competition will take place in all weathers.

When using public roads please follow the rules of the StVO and comply with it.

Service vehicles are not authorized !

Instructions issued by the staff are to be followed at all times and without delay!

Non-compliance of paths, non-crossing of checkpoints, gaining any unlawful advantage ( for example : vehicle transport) or if continue walking is no longer possible , leads to disqualification.

This march requires high physical strength.

**Recommendation:**

Please do not participate in case of bad health or bad training condition!  
If so, the organizer reserves the right to disqualify participants who run into danger to harm their health.

GPS devices , as well as the use of mobile phones **-Emergency exceptions-** are prohibited during the competition. Offences lead to disqualification.

**Information for guests and team companion:**

Entering the march paths during the day of the competition is allowed with guidance staff only.
